

# Meeting the Mystics Series

*A monthly gathering at the Journey Center.*

Throughout the past 2,000 years, men and women have been called to the mystical path of ever-deepening relationship with the Divine and have encouraged followers of Christ to engage more and more fully with Holy Mystery.

**Friday, August 19th, 7:00 -9:00 p.m.**  
**Contemplating Nature in Poetry**

Join us for a contemplative evening of poetry from the Christian tradition that celebrates the glory of nature as it reveals the Holy. We will savor together the words of such poets as Nancy Wood, Thomas Merton, The Psalmists, and Francis of Assisi as we listen to how these poems invite us into a deeper experience of nature and the Creator. Bring a journal and come to listen with the ears of your heart.

Facilitators Dan Beach and Ruah Bull are spiritual directors at The Journey Center whose great joy is to share new poems with one another-- and with our community.

Cost: \$10.

*The heavens declare the glory of God...*

*In this series, we will be inviting speakers to introduce us to these contemplative ancestors of ours. In each session we'll learn about a particular mystic, experience a practice that supported them in their journey, as well as have time for personal reflection and sharing.*
