

Centering Prayer

# Awareness - Part II

Saturday, April 29, 2017 | 10:00 A.M.-1:00 P.M. | Ellard Hall  
(9:30 AM Registration & Refreshments)

**Fr. Terry Ryan, C.S.P.** a Paulist priest whose life-long focus of study and teaching has been ancient and contemporary mystics and contemplative prayer. A Centering Prayer practitioner, Fr. Terry lives for several months each year in Snowmass Monastery in Colorado, heart of the International Centering Prayer movement.

God's presence is like the breath. It is always here with us, keeping us going, but we do not notice or give it much attention. We ignore our breathing as we often ignore God. Join us for this enriching talk as Fr. Terry Ryan shares about God's overwhelming presence in and around us as he references "*Reflections on the Unknowable*" book by Fr. Thomas Keating.
